Re: *Rafael Bueno, et al. v. Allcity Medical, P.C., et al.*
S.D.N.Y. Case No.: 22-cv-2216 (PAE)(KHP)

Dear Magistrate Judge Parker:

I am writing to represent the remaining appearing Defendants, Allcity Medical P.C. and Yan Feldman, in the above-referenced action, and jointly with Plaintiff Bueno and Rivera's counsel.

The parties have reached a settlement agreement in principal. We are currently collaborating on preparing the required documentation to formalize the resolution. As a result, the Defendants are hereby withdrawing their motion to compel and the parties kindly request the cancellation of the in-person conference scheduled for November 8, 2023. If the Court believes the conference is still necessary, we respectfully request that it be conducted in a virtual or telephonic format.

The parties thank the Court in advance for its time and attention to this matter.

Very truly yours,

The Court thanks the parties for this update. The Case Management Conference scheduled for November 8, 2023 at 2:15 p.m. is adjourned sine die. In light of Defendants' withdrawal of the motion to compel at ECF No. 142, the Clerk of the Court is respectfully directed to terminate that motion as withdrawn. The parties shall file their letter for approval of the settlement pursuant to *Cheeks v. Freeport Pancake House, Inc.*, 796 F.3d 199 (2015) by Monday, November 27, 2023. The parties are reminded that they have the option to consent to my jurisdiction for purposes of approving the settlement. The consent form is available at <https://www.nysd.uscourts.gov/forms/consent-proceed-us-magistrate-judge>. Consent may result in a faster and more efficient resolution of the case, but there are no adverse consequences for withholding consent.

SO ORDERED:
